## LETTER OF REQUEST

Dear Sir / Ma

The above named fellowship hereby writes to invite you to her 34th annual program, titled 'Redemption week 21'. This event does not only bring the body of Christ together, but also unites both past and present alumni of the fellowship; it is our most important annual event that indicate that a tenure is wrapping up.

We are proud to announce to you that this year's anniversary tagged "Peculiar Generation", will commence on the 13th of February at RCF auditorium, FUTA South Gate, Akure.

Since the inception of the redemption week, we have hosted several dignitaries and this year we plan to host more, and to make it our most impactful event yet, we would be having about 500 participants.

As a body of Christ our vision statement includes raising men and women who will stand out for Christ; bringing back many who have gone astray; and to see that God's children express peculiarity in every spheres of their life. To achieve this vision statement we have identified series of missions which include; giving ourselves to an in depth study of the word and understanding our identity in Christ as peculiar people through the help of the Holy Spirit, giving ourselves to aggressive evangelism and effective follow up with the help of the Holy Spirit so as to bring as many souls who have gone astray and lost their relevance and peculiarity back to Christ, and working with the Holy Spirit so that this life of peculiarity finds expression in our daily lives.

As much as we look forward to this purposeful event which would accelerate the materialization of these missions and vision; we cannot do this without adequate support. In lieu of this, your assistance would go a long way in making this event a tremendous success.

We pray that the Lord enlarges you and perfect all that concerns you. We look forward to getting a positive response from you.

Thanks.
